Tiny Gasper's Cove, Nova Scotia, snug on the rocky East Coast of Canada, was once known for the schooners it built and the fishing nets it tied. But those days have long sailed away. Now only the skills and a belief that it is possible to make anything yourself have remained. So, when it's time for her own second act, sewing instructor and empty-nester Valerie Rankin comes home from the big city to reconnect with the Gasper's

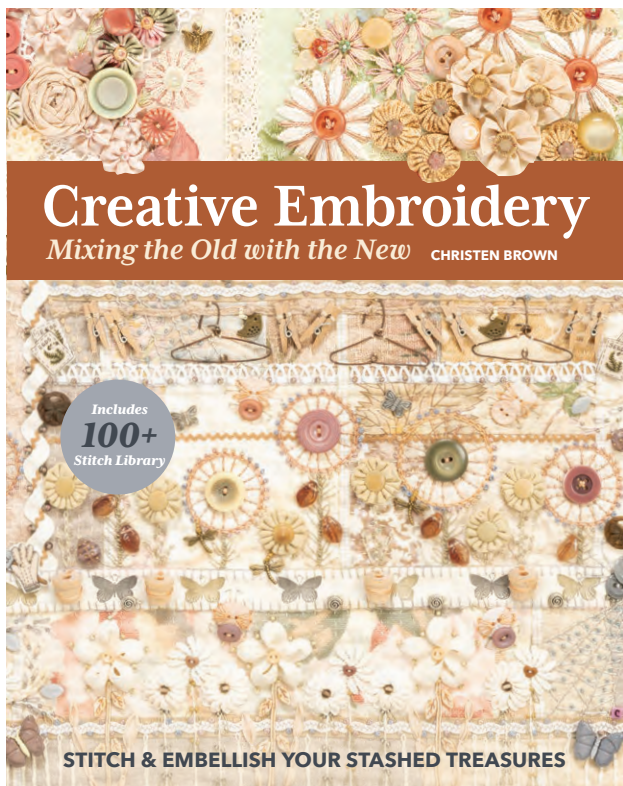

Crafters, a group of underestimated women who are as determined as she is to craft a new future. But make no mistake. As Valerie soon discovers, even in a tight-knit community like this one below the surface of its cheerful banter, runs an undercurrent of mystery, past and present, that must be met with the ingenuity of more than one crafty mind.

Design Your Quilt: From Photo to Imagination

Vicki Conley

First, Vicki shows you how to select specific photographic elements for your quilt design, whether you work with one photo or a collection. She walks you through enlarging and printing your pattern and teaches you how to cut and piece the quilt stabilizer. Next, you'll learn everything you need to know to put it together — walk through turned edge machine piecing, sewing the pieces, lettering techniques, and more valuable skills you can transfer to any quilt project.

Map Making with Fabrics

Timna Tarr

Mark your place in the world through quilts. Throughout the workshop, you will learn how to translate a paper map into a personal map quilt. Timna will show you several techniques she uses to make map quilts and walk you through adding fusible appliqué, prepared edge appliqué, and paper piecing. This workshop is best for intermediate or confident beginner quilters.

Let's Fly: Wool Appliqué with Embroidery Embellishments

Catherine Redford

Catherine starts at the very beginning with transferring your design with freezer paper and include some of her favorite tips and tricks for success along the way. All skill levels are welcome! Over the course, you'll learn not only how to create your mini quilt or pillow, but also how to successfully whipstitch appliqué, a useful skill for any wool applique pattern.

Scrappy Wonky Quilt Blocks

Shannon & Jason

Learn how much fun it is to create a scrappy wonky quilt block with no predetermined pattern. We'll start off with a Scrappy Wonky Log Cabin block and take you down a progressively wonky path through pineapples, two kinds of stars, our ever-popular Scrappy Wonky Rose, and the wild and fun Genie in a Bottle blocks. Then, we'll wrap it all up with putting them together into a wall hanging, a throw, or a full-size quilt... it's up to you!
